December 2007

Greetings to all Fairway Springers!

We are pleased to provide a new telephone directory which we hope you will find useful.

This directory contains three listing groups, an alpha list of all resident owners, non-resident owners, non-members, and rental/lease tenants, a street listing of the same information, and a mailing address listing of all non-resident owners.

We have taken care to insure that this information is as accurate as possible. However, as you may be aware, people move, telephone numbers change, mailing addresses change, names change (marriages, etc) and lease/rental residents' names change. Unless we are advised directly by the owner of the property, our records may not reflect the most current information. If you are a non-resident owner and have new tenants, please let us know. They may like to be included in the next directory and, with the correct information, we are happy to do so. If you are a non-resident owner and your permanent mailing address and telephone number have changed, please let us know so that we may update our records accordingly.

After checking your listing in this directory and you find that some changes are in order, please complete the form below and mail to: Fairway Springs Homeowners Association, 3331 Player Drive, New Port Richey, FL 34655. We will update our records accordingly and reflect in the next published directory. You can also e-mail any changes to dhelphrey@gmail.com Please be sure to include Fairway Springs in the subject line of any e-mail. Unidentified e-mails will not be opened. Or, please feel free to call any one of our Board Members.
